The CTA is the official
state association of the
National Association of State
Taekwondo Organizations
(NASTO) www.NASTO.us

On behalf of the California Taekwondo Association, I would like to welcome you to the 2007 Southern California Junior and Senior Taekwondo Championship to be held on Saturday, May 19th at the Jenny Craig Pavilion on the campus of the University of San Diego. The Southern State Championship is being held in conjunction with the California State Games organization. We would also like to invite you to compete in the 2007 Northern California Junior and Senior Taekwondo Championship to be held on Saturday, May 5th at the University of San Francisco. This is an exciting time for us as we conclude the third CTA California Point Circuit Season. We have been overwhelmed by your excitement, your kindness and your great support.

The CTA has held six point circuit tournaments this season with more coming next season. There were three in the South and three in the North. We've used these tournaments as a guide to select the best players in the State to become the first ever California Taekwondo Team. We will introduce the 2007 – 2008 California “A” & “B” Teams after the Southern California State Championship. The new team members will compete in the California Team Fight-off later in the year.

It is also my great pleasure to announce the new leadership of the CTA that will be taking office in May 2007. Dr. Changseob Ahn will become the new CTA President for the next two year term. Dr. Ahn is a highly respect master in Taekwondo who leads the University of California Berkeley martial arts program. The Berkeley Taekwondo program is the oldest and most respected collegiate program in the USA. We are honored to have Dr. Ahn take over the reins of the CTA and we look forward to his direction and leadership. Master Bill Dewart is the currently Secretary General of the CTA. The other new officers will be announced at the upcoming state tournaments.

We hope that you will continue to support the CTA and the CTA point circuit tournaments in order to earn your spot on the CTA state Junior and Senior teams, the 10-13 year Black Belt Developmental Team and the 6 years and older State Color Belt Team. The CTA state teams have held special training seminars several times during the 2006-2007 season. Several members of the CTA team competed against the Mexico developmental teams in 2006 and 2007. We also plan to have a North and South Team Fight-Off later this year as well as other exciting events for the state team members.

The ultimate goal of the CTA is to develop a pipeline of World Class athletes that will move toward the USA Taekwondo National Junior and Senior teams. We also look forward to offering the highest quality tournaments through the CTA point circuit program. It has been our honor and pleasure to serve as the inaugural leadership of the CTA. Master Jimmy Kim, Master Ben Kelso Master Jim Evans and myself greatly appreciate your support over the past three years.

Sincerely,
Master Randy Chambliss
CTA President
